

Yellow Jacket Classic
FESTIVAL AND CONTEST
OCTOBER 20, 2018
RULES AND REGULATIONS

1. The competition field will be the size and shape of a regulation football field with five and ten-yard lines, hash marks (53'4"), and sidelines clearly marked. There is a regulation track surrounding the field and a fence enclosing the field and track. There are twenty-two rows of seats between the press box and the track.
2. Bands will be classified according to the number of wind instrument players. Bands may enter a higher classification but not a lower one.

Class A	up to 40 winds
Class AA	41-59 winds
Class AAA	60-79 winds
Class AAAA	80-100 winds
Class Open	100 or more winds

3. Bands are scheduled in twenty-minute intervals. Performance times should be within a six-minute minimum and a twelve-minute maximum. Timing starts with the first note of music or movement after the band has been given the field for competition. ***A penalty of -0.5 points for each minute, or part of minute, will be assessed by the timing judge for times exceeding the maximum twenty minute interval.*** Penalties will not be assessed without notification to the band director.
4. Order of performance within each class is determined by application postmark. Earliest postmark performs last in class.
5. All bands must perform in uniform. All band representatives must be in uniform to accept awards.
6. The YJC uses adjudication forms for Olympic style judging, with the high and low scores dropped and the remaining three averaged to determine overall band score. Auxiliary scores do not enter into the calculation of overall band awards.

<u>Point Spread for Contest Scoring</u>	
Superior	85 – 100
Excellent	70 – 84.9
Good	55 – 69.9
Fair	0 – 54.9

7. No director, parent, or student from any participating band will be allowed in the press box.
